## IV Sets

Adult, Paediatric,  
and Extension  
Applications

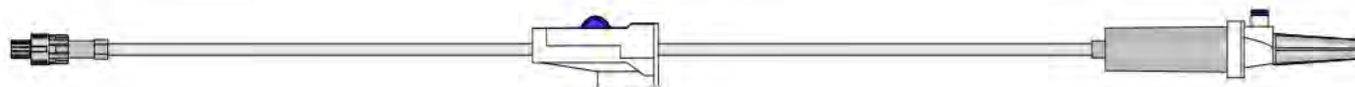

# Table of Contents

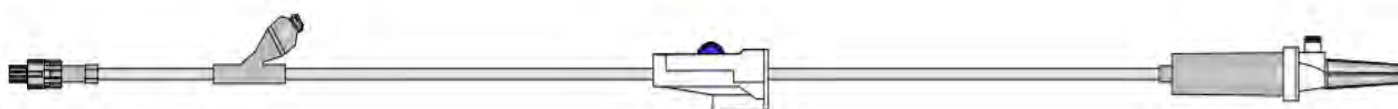

Adult Sets.....	1
Paediatric Sets.....	3
Secondary Sets.....	5
Blood Administration Sets.....	5
Flow Regulator Extension Sets .....	6
Micro-bore Extension Stes.....	6
Large Bore Extension Sets.....	7
Paclitaxel Infusion Sets.....	8
Bifurcated Sets .....	8
Trifurcated Sets .....	9
Pump Infusion Sets .....	10

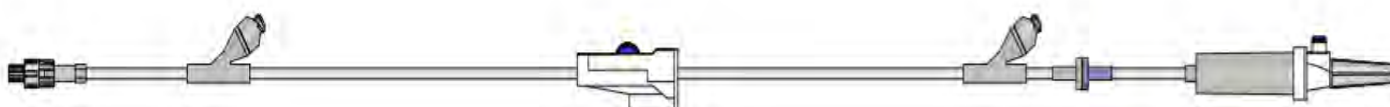

Item #	Product Description	Length	Case Qty
VVL10200-0A VVL10250-0A VVL10300-0A	Adult Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp and vented drip chamber (20 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

Item #	Product Description	Length	Case Qty
VVL10200-1A VVL10250-1A VVL10300-1A	Adult Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve, roller clamp and vented drip chamber (20 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

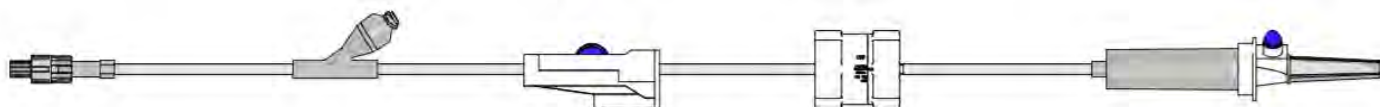

Item #	Product Description	Length	Case Qty
VVL10200-2A VVL10250-2A VVL10300-2A	Adult Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 2 needle free Y-valves, roller clamp, back check valve and vented drip chamber (20 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

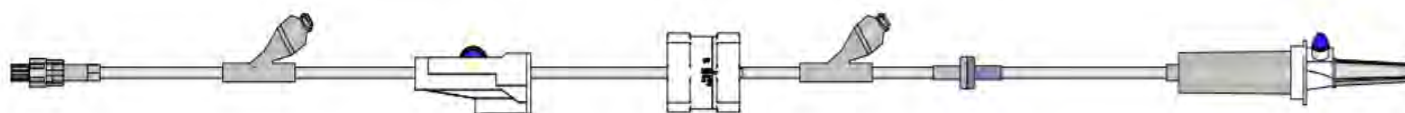

Item #	Product Description	Length	Case Qty
VVL10200-0AFR VVL10250-0AFR VVL10300-0AFR	Adult Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp, flow regulator and vented drip chamber (20 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

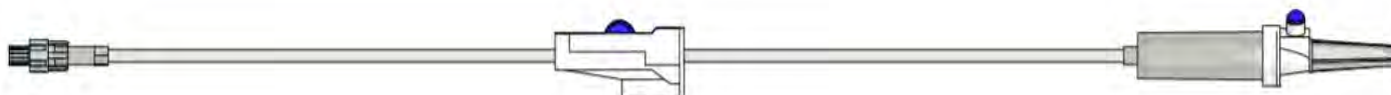

Item #	Product Description	Length	Case Qty
VVL10200-1AFR VVL10250-1AFR VVL10300-1AFR	Adult Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y- valve, roller clamp, flow regulator and vented drip chamber (20 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

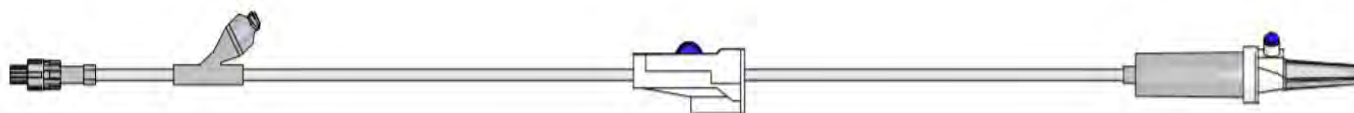

Item #	Product Description	Length	Case Qty
VVL10200-2AFR VVL10250-2AFR VVL10300-2AFR	Adult Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 2 needle free Y- valves, roller clamp, flow regulator, back check valve and vented drip chamber (20 drops/ml)	Available in lengths 3 lengths (cm): 200; 250; 300	50

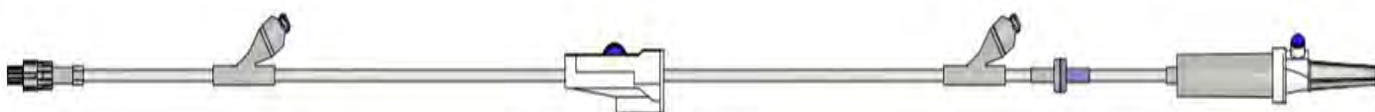

Item #	Product Description	Length	Case Qty
VVL10200-0P VVL10250-0P VVL10300-0P	Paediatric Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

Item #	Product Description	Length	Case Qty
VVL10200-1P VVL10250-1P VVL10300-1P	Paediatric Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve, roller clamp and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

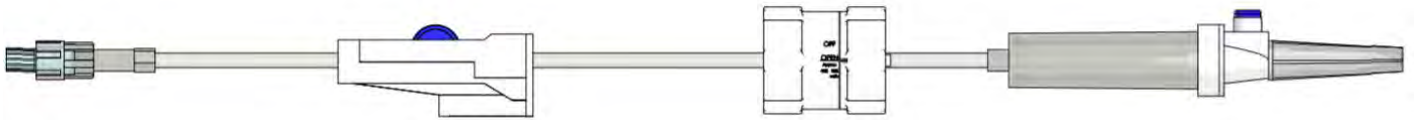

Item #	Product Description	Length	Case Qty
VVL10200-2P VVL10250-2P VVL10300-2P	Paediatric Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 2 needle free Y-valves, roller clamp, back check valve and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

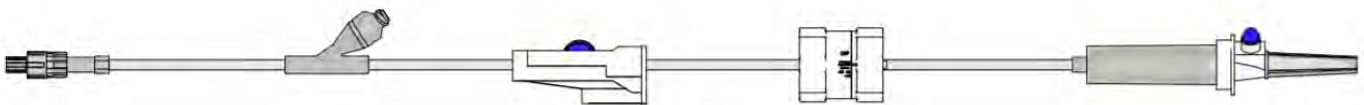

## Paediatric Sets

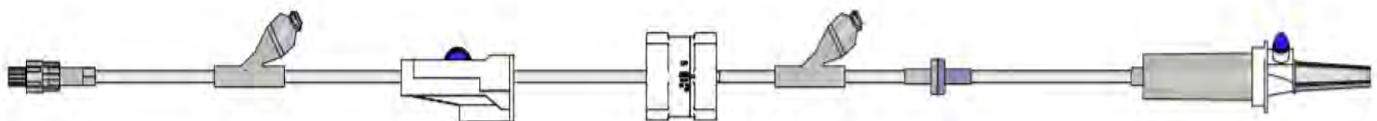

Item #	Product Description	Length	Case Qty
VVL10200-0PFR VVL10250-0PFR VVL10300-0PFR	Paediatric Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp, flow regulator and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

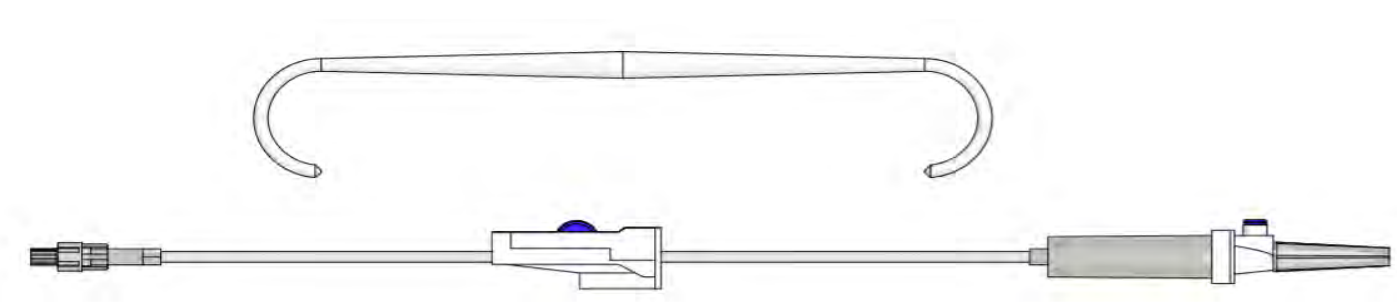

Item #	Product Description	Length	Case Qty
VVL10200-1PFR VVL10250-1PFR VVL10300-1PFR	Paediatric Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve, roller clamp, flow regulator and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

Item #	Product Description	Length	Case Qty
VVL10200-2PFR VVL10250-2PFR VVL10300-2PFR	Paediatric Gravity Flow Regulator Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 2 needle free Y-valves, roller clamp, flow regulator, back check valve and vented drip chamber (60 drops/ml)	Available in 3 lengths (cm): 200; 250; 300	50

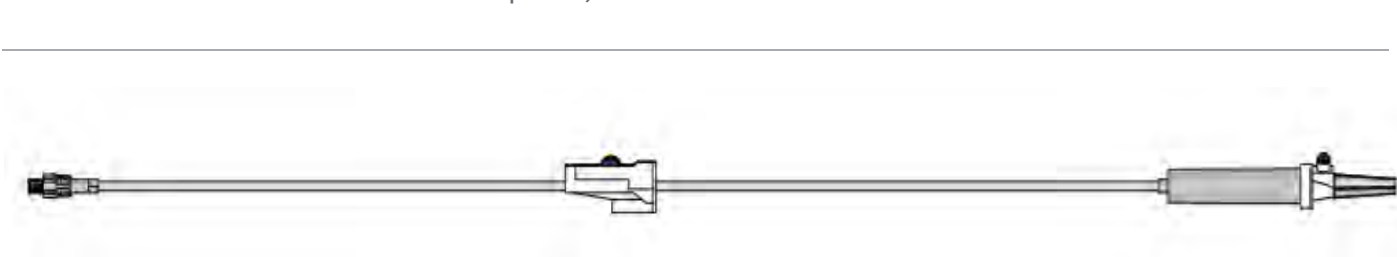

Item #	Product Description	Length	Case Qty
VVL20075	Secondary Gravity Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp, vented drip chamber (20 drops/ml) and white hanger	Available in 1 length (cm): 75	50

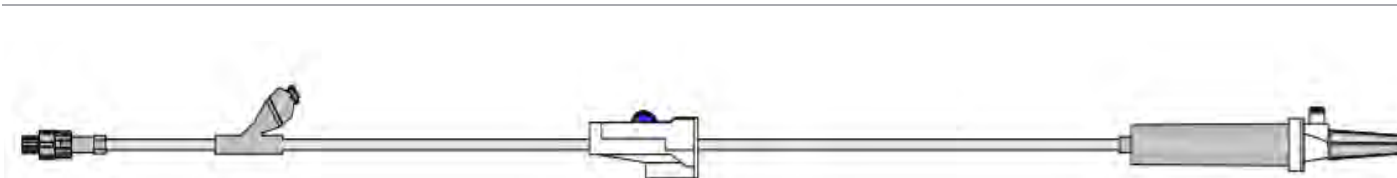

## Blood Administration Sets

Item #	Product Description	Length	Case Qty
VVL30200-0 VVL30250-0 VVL30300-0	Blood Administration Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp and vented blood drip chamber (10 drops/ml) with 200-micron filter	Available in 3 lengths (cm): 200; 250; 300	50

Item #	Product Description	Length	Case Qty
VVL30200-1 VVL30250-1 VVL30300-1	Blood Administration Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve roller clamp and vented blood drip chamber (10 drops/ml) with 200-micron filter	Available in 3 lengths (cm): 200; 250; 300	50

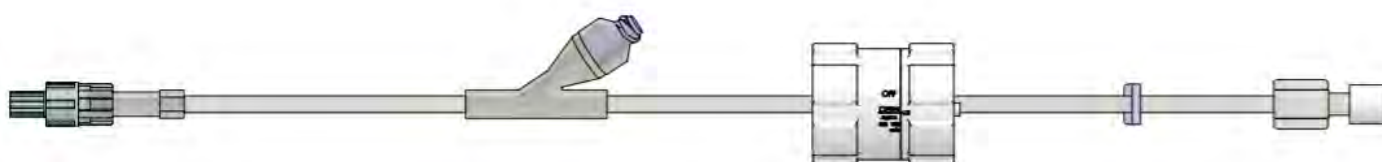

## Flow Regulator Extension Sets

Item #	Product Description	Length	Case Qty
VVL40045-0FR	Extension Set with Flow Regulator Large bore tubing (4.1 mm OD), male rotating luer lock, flow regulator, slide clamp and female luer connector with cap	Available in 1 length (cm): 45	100

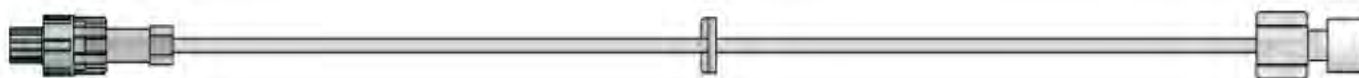

Item #	Product Description	Length	Case Qty
VVL40045-1FR	Extension Set with Flow Regulator Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve, flow regulator, slide clamp and female luer connector with cap	Available in 1 length (cm): 45	100

## Micro-bore Extension Sets

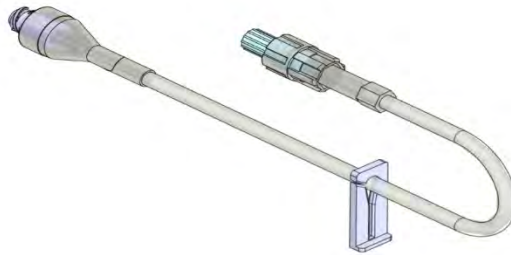

Item #	Product Description	Length	Case Qty
VVL50050-MBMF VVL50075-MBMF VVL50090-MBMF VVL50150-MBMF VVL50200-MBMF	Micro-bore Extension Set Micro bore tubing (2.3 mm OD), male rotating luer lock, slide clamp and female luer connector with cap	Available in 5 lengths (cm): 50; 75; 90; 150; 200	100

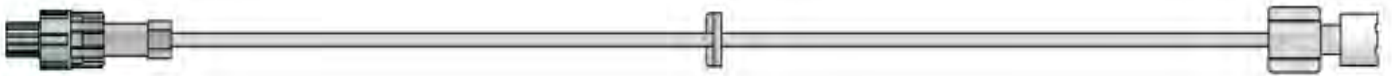

## J-Loop Extension Sets

Item #	Product Description	Length	Case Qty
VVL50015-JMBMF VVL50015-JMBMF	J-Loop Extension Set Micro bore tubing (2.3 mm OD) or Large bore tubing (4.1 mm OD), 1 needle free straight valve, slide clamp and rotating male luer lock	Available in 1 length (cm): 15	100

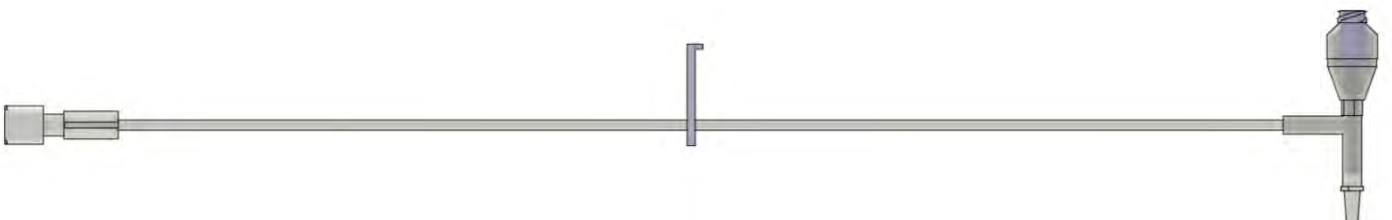

## Large-bore Extension Sets

Item #	Product Description	Length	Case Qty
VVL50050-LBMF VVL50075-LBMF VVL50090-LBMF VVL50150-LBMF VVL50200-LBMF	Large-bore Extension Set Large bore tubing (4.1 mm OD), male rotating luer lock, slide clamp and female luer connector with cap	Available in 5 lengths (cm): 50; 75; 90; 150; 200	100

## T-Connector Extension Sets

Item #	Product Description	Length	Case Qty
VVL50050-LBMF	T-connector Extension Set Large bore tubing (4.1 mm OD), male rotating luer lock, slide clamp and needle free T-connector with male luer slip	Available in 1 length (cm): 15	100

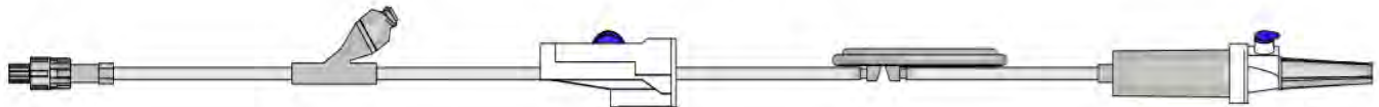

## Paclitaxel Infusion Sets

Item #	Product Description	Length	Case Qty
VVL70250-0C	Paclitaxel (Chemotherapy) Primary Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, roller clamp, 0.2-micron filter and auto stop drip chamber (20 drops/ml)	Available in 1 length (cm): 250	50

Item #	Product Description	Length	Case Qty
VVL70250-1C	Paclitaxel (Chemotherapy) Primary Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 1 needle free Y-valve, roller clamp, 0.2-micron filter and auto stop drip chamber (20 drops/ml)	Available in 1 length (cm): 250	50

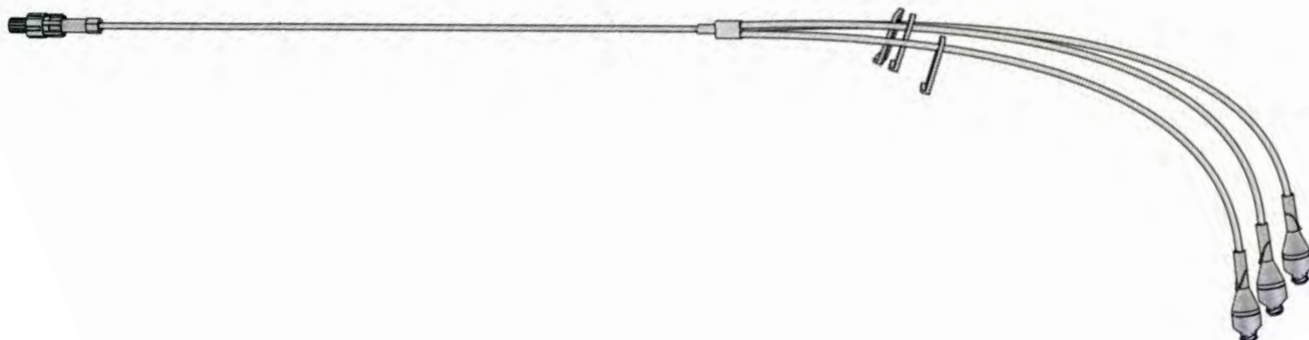

## Bifurcated Sets

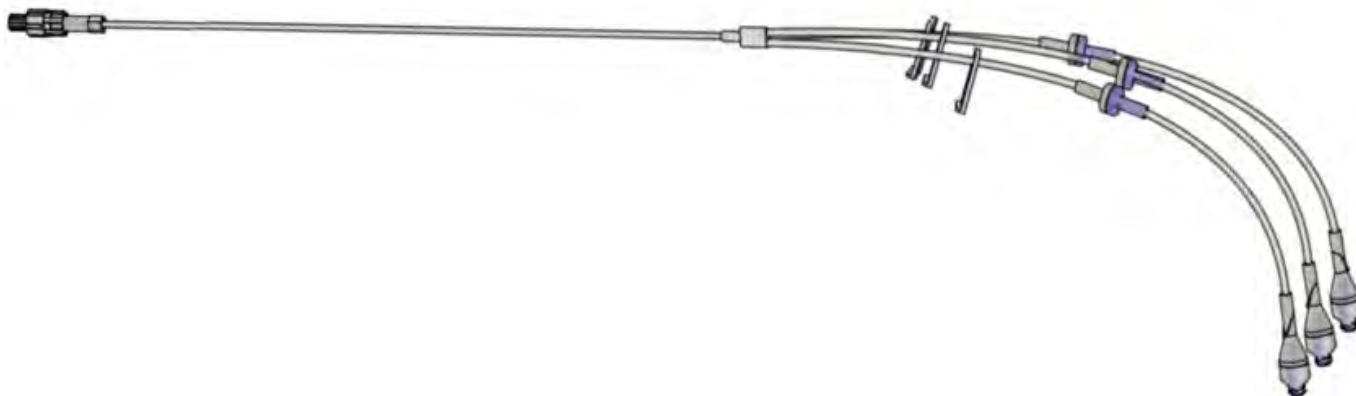

Item #	Product Description	Length	Case Qty
VVL80020-BiMB VVL80020-BiLB	Bifurcated Extension Set Micro bore or large bore tubing (2.3 or 4.1 mm OD), male rotating luer lock, 2-way connector, 2 slide clamps and 2 needle free straight valves	Available in 1 length (cm): 20	100

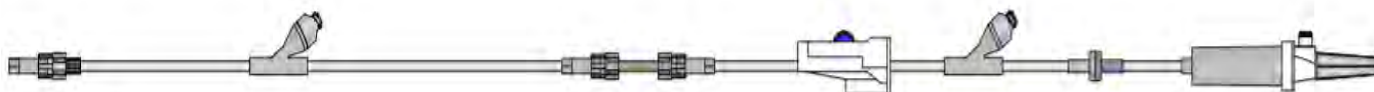

Item #	Product Description	Length	Case Qty
VVL90020-TriMB VVL90020-TriLB	Trifurcated Extension Set Micro bore or large bore tubing (2.3 or 4.1 mm OD), male rotating luer lock, 3-way connector, 3 slide clamps and 3 needle free straight valves	Available in 1 length (cm): 20	100

Item #	Product Description	Length	Case Qty
VVL90020-TriMBbc VVL90020-TriLBbc	Trifurcated Extension Set Micro bore or large bore tubing (2.3 or 4.1 mm OD), male rotating luer lock, 3-way connector, 3 slide clamps, 3 back check valves and 3 needle free straight valves	Available in 1 length (cm): 20	100

Item #	Product Description	Length	Case Qty
VVL59793E	Primary Volumetric Pump Infusion Set Large bore tubing (4.1 mm OD), male rotating luer lock, 2 needle free Y-valves, pumping segment, roller clamp, back check valve and vented drip chamber (20 drops/ml) Suitable for 590 series volumetric pump	Available in 1 length (cm): 250	50

Item #	Product Description	Length	Case Qty
VVL273-303E	Primary Volumetric Pump Infusion Set Large bore tubing 65 sha (4.1 mm OD), male rotating luer lock, 2 needle free Y-valves, roller clamp, 2 back check valves and vented drip chamber (20 drops/ml) Suitable for GW volumetric pump	Available in 1 length (cm): 250	50

Item #	Product Description	Length	Case Qty
VVL273-004	Primary Pump Infusion Set Large bore tubing 65 sha (4.1 mm OD), male rotating luer lock, roller clamp, back check valve and vented drip chamber (20 drops/ml) Suitable for GW volumetric pump	Available in 1 length (cm): 250	50

"A uniquely South African business specializing in the design and manufacture of exceptional quality medical devices for the delivery of IV therapy in public and private hospitals"
